

DAVID FIELDS QUICKBOOKS TRAINING IRELAND

Is a Dublin-based QuickBooks trainer and professional advisor with over 30 years of experience. **David's QuickBooks Training Ireland** offers customized training programs for all user levels, from beginners to advanced accounting professionals.

Training formats and features

- **Flexible formats:** Fields provides training sessions in several formats to suit client needs: on-site at a client's location, or remotely via Microsoft Teams or Zoom.
- **Customized curriculum:** Training content is tailored to individual or small-group needs, covering both fundamental concepts and advanced features of QuickBooks.
- **Enhanced efficiency:** Fields' hands-on and practical approach is designed to increase user efficiency, reduce errors, and improve overall financial management.
- **Advanced training:** For experienced users, Fields offers advanced training that focuses on complex features for more sophisticated reporting and financial management.
- **Setup and support:** In addition to training, he provides services for QuickBooks software installation and setup guidance.
- **Consultancy:** For specific needs, Fields offers one-day on-site consultancy services.
-

Other services

In addition to training, Fields' skills include **forensic work**, which helps users identify and correct discrepancies in their accounts to ensure compliance.
